Let Me PROVE I Can Make YOU A NEW MAN!

ARE you "fed up" with seeing the huskies walk off with the best of everything? Sick and tired of being soft, frail, skinny or flabby — only HALF ALIVE? I know just how you feel. Because I myself was once a puny 97-pound "runt." And I was so ashamed of my scrawny frame that I dreaded being seen in a swim suit.

The Secret of How I Got My Build

Then I discovered a wonderful way to develop my body fast. It worked wonders for me — changed me from the scrawny "runt" I was at 17, into "The World's Most Perfectly Developed Man." And I can build up YOUR body the very same natural way — without weights, springs or pulleys. Only 15 minutes a day of pleasant practice — in the privacy of your room.

My "Dynamic-Tension" method has already helped thousands of other fellows become real he-men in double-quick time. Let it help YOU. Not next month or next year — but Right NOW!

"Dynamic-Tension" Builds Muscles FAST!

If you're like I was, you want a powerful, muscular, well-proportioned build you can be proud of any time, anywhere. You want the "Greek-God" type of physique that women rave about at the beach — the kind that makes other fellows green with envy.

Mail Coupon Now for My 32-Page Illustrated Book

Mailing the coupon can be the turning point in your life. I'll send you a copy of my 32-page illustrated book, "How Dynamic-Tension Makes You a NEW MAN." Tells how and why my method works; shows many pictures proving what it has done for others. Don't delay. Mail coupon NOW. CHARLES ATLAS, Dept. 325B 115 E. 23rd St., New York, N.Y. 10010.

DELANO PAX

"This is a proceeding brought under section 237 of the State Mental Hygiene Law to declare one Thomas Delano as incompetent and to have an administrator appointed by the court to conserve his remaining assets. Jack Moore, his nephew, for himself and for all other relatives by blood and by marriage, has brought this action. Since this proceeding is of utmost importance and the entire world is waiting to hear what takes place, I have permitted members of the press to be here. Also I have permitted two of our leading TV stations to set up their cameras. I wish to remind all in this room to keep the necessary decorum.

For the past six months, Thomas Delano has spent more than two millions dollars. For time on TV stations, for radio broadcasts, and for pages in different newspapers. Both here and abroad. His goal is a worthy one. He wants the world to live in peace. Had it stopped there, then I would have to dismiss this proceeding. But it is his threat that definitely bothers all of us.

He maintains that he has been in contact with the ghosts of Great Military Leaders. Such as Alexander the Great, Ceasar, William The Conquerer, Napoleon, and Frederick the Great. His view is that people really never die. Their spirits or ghosts still haunt the world around us. He has promises from these leaders that they will bring their forces to help him. And since the fighting men are all ghosts nothing can kill those who are already dead.

He has even said that Ghengis Khan has his men ready to make the first move. Now Thomas Delano in his latest broadcast has given the world an ultimatum. Unless they at once start to disarm, he will take over and impose his peace on them. He spoke of the time when Rome imposed her kind of peace on the world. Known to us as: Pax Romana. He calls his kind of peace: Delano Pax. Now what does Jack Moore ask for? He wants the court to appoint three psychiatrists to examine Thomas Delano. And if found incompetent, to be put into a rest home. And the balance of the estate to be conserved. I noticed that Mr. Norman Kent, our esteemed member of the bar, is representing Thomas Delano And has refused to submit a brief to this court.

Mr. Norman Kent, that is your privilege. But may I not ask what is your reason?'

"In a few minutes I will present sufficient evidence to convince the court that this proceeding should be terminated. And that my client is of sound mind. I will even go a step further. He is the greatest genius the world has ever known. For not only is his motive pure, but he can carry through with his threats."

There was a loud murmur in the room. The judge rapped his gavel for order.

"Do I hear correctly?" he asked. "That you are actually telling the court that your client can do what he has threatened to do. To somehow bring ghosts back into this world. And with their aid to take over. If this is some kind of a joke, I need not point out that you can be held in contempt of court."

"Your Honor," continued the attorney, "You know my record. I would never do anything that could be in any way regarded as a slight upon the dignity of the court. Let me explain further.

I do not know how, but Mr. Thomas Delano did succeed where many others failed. He managed to contact the spirit world. Told of his desire to end bloodshed and war Have a world that can really live in peace. He did speak to many famous statesmen of the past. The net result was a bit sad. He concluded the only way would be to use force to have peace. He would impose peace upon the world. First ask them to disarm and live as brothers. As you know, the governments of the world have treated this as a big joke. So now there is no other step but the drastic one he will take. To have his ghost leaders and their fighting forces go into action.

At my side now is Thomas Delano. At first I refused to take his case regardless of the large fee he offered to me. But when he showed me Ceasar and Napoleon, I knew he was no mad man. But the greatest genius the world has ever seen. Now he will speak.

"You notice the lights are getting dim," began Thomas Delano. "And you can all see the shadows of great men coming into this room. All over the world their fighting forces are materializing. I give the world just one hour to surrender. Otherwise those who oppose me will pay the penalty. As for my unbeloved nephew, I will have something special in store for him. I gave him an opportunity to join with me in this great task of peace. But he refused. Be not frightened as you see the faces. They do have the mark of death on them. For they are the dead returning to help me."

An Important Message

To Every Man And Woman

In America

Losing His Or Her Hair

If you are troubled by thinning hair, dandruff, itchy scalp, if you fear approaching baldness, read the rest of this statement carefully. It may mean the difference to you between saving your hair and losing the rest of it to eventual baldness.

Baldness is simply a matter of subtraction. When the number of new hairs fail to equal the number of falling hair, you end up minus your head of hair (bald). Why not avoid baldness by preventing unnecessary loss of hair? Why not turn the tide of battle on your head by eliminating needless causes of hair loss and give Nature a chance to grow more hair for you? Many of the country's dermatologists and other foremost hair and scalp specialists believe that seborrhea, a common scalp disorder, causes hair loss. What is seborrhea? It is a bacterial infection of the scalp that can eventually cause permanent damage to the hair follicles. Its visible evidence is "thinning" hair. Its end result is baldness. Its symptoms are dry, itchy scalp, dandruff, oily hair, head scales, and progressive hair loss.

So, if you are beginning to notice that your forehead is getting larger, beginning to notice that there is too much hair on your comb, beginning to be worried about the dryness of your hair, the itchyness of your scalp, the ugly dandruff — these are Nature's Red Flags warning you of impending baldness. Even if you have been losing your hair for some time, don't let seborrhea rob you of the rest of your hair.

HOW COMATE WORKS ON YOUR SCALP

The development of an amazing new hair and scalp medicine called Comate is specifically designed to control seborrhea and stop the hair loss it causes. It offers the opportunity to thousands of men and women losing their hair to bacterial infection to reverse the battle they are now losing on their scalps. By stopping this impediment to normal hair growth, new hairs can grow as Nature intended.

This is how Comate works: (1) It combines in a single scalp treatment the essential corrective factors for normal hair growth. By its rubifacient action it stimulates blood circulation to the scalp, thereby supplying more nutrition to still-alive hair follicles. (2) As a highly effective antiseptic, Comate kills on contact the seborrhea-causing scalp bacteria believed to be a cause of baldness. (3) By its keratolitic action it dissolves ugly dandruff. By tending to normalize the lubrication of the hair shaft it corrects excessively dry and oily hair. It eliminates head scales and scalp itch.

In short, Comate offers you in a single treatment the best that modern medicine has developed for the preservation of your hair. There is no excuse today except ignorance for any man or woman to neglect seborrhea and pay the penalty of hair loss.

COMATE IS UNCONDITIONALLY GUARANTEED

To you we offer this UNCONDITIONAL GUARANTEE. Treat your scalp to Comate in your own home, following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair look thicker and alive. How Comate ends your dandruff, stops your scalp itch. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we say this to you. If, for any reason, you are not completely satisfied with the improvement in your own case — AT ANY TIME — return the unused portion for a prompt refund. No questions asked.

But don't delay. For the sake of your hair, order Comate today. Nothing — not even Comate — can grow hair from dead follicles. Fill out the coupon now, and take the first step toward a good head of hair again.

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.
